RULES OF THE EVENTS FOR SAMVEEKSHANA-2K26

EVENT NAME: UI/UX Redesigning

Faculty Coordinators:
Prof. Kshitij Sheth(8369962936)
Prof. Sushiladevi Vantamuri(7676309432)

Student Coordinators:

1. Aman Mali(6364623301)
2. Brahmi Chougala(7676072737)

Rules:

Team Size:
Individual.

Registration Fees:
Rs. 50/- (per participant)

UI/UX Redesigning – Rules and Regulations:

1. Participation

- Participants can compete individually.
- Only registered participants are allowed to participate.

2. Theme

- Participants must redesign a given website/app interface (theme will be provided on the spot).
- Example domains: E-commerce, Healthcare, Education, Banking, Travel, etc.
- The redesign must improve user experience, usability, and visual appeal.

3. Tools Allowed

- Participants may use design tools such as Figma, Adobe XD, Canva, Sketch, etc.
- Internet usage is allowed only for icons, images, or references.
- Pre-designed templates are not allowed.

4. Time Limit

- The competition duration will be 2 hours.
- Participants must submit their final design within the allotted time.

5. Design Requirements

- The design must include at least 2–3 screens (e.g., Login, Home, Dashboard).
- Focus on layout, typography, color scheme, navigation, and accessibility.
- The design must be original.

6. Submission

- Final design must be submitted in PDF/Image format or shared link (as instructed).
- Late submissions will not be considered.

7. Judging Criteria

- Creativity and originality
- User-centered design approach
- Visual hierarchy and layout
- Ease of navigation
- Innovation and presentation

8. Discipline

- Any malpractice or copying will lead to disqualification.
- Judges' decision will be final and binding.

EVENT NAME: Blind Coding

Faculty Coordinators:
Prof. Shivanand Hiremath(9945810992)
Prof. Rajeshwari Kisan(9738783026)

Student Coordinators:

1. **Suyog Hanamar(9986821707)**
2. **Pratiksha Tupare(8197422632)**

Rules:

Team Size:
Individual.

Registration Fees:
Rs. 50/-

Blind Coding – Rules and Regulations:

1. Participation

- Only individual participation is allowed.
- Only registered participants can compete.

2. Competition Format

- Participants will be given a programming problem.
- The twist: The screen output will be hidden after initial viewing of the problem statement.
- No auto-suggestions or internet access is allowed.

3. Languages Allowed

- C / C++ / Java / Python (as specified by organizers).

4. Time Limit

- Total duration: 4 hours in two Rounds .
- Participants must complete coding within the allotted time.

5. Rules during Coding

- Internet access is strictly prohibited.
- Mobile phones are not allowed.
- Participants cannot refer to notes or books.

6. Evaluation Criteria

- Logical correctness
- Code efficiency
- Error-free execution
- Time taken to complete
- Optimization approach

7. Disqualification

- Use of unfair means.
- Communicating with others.
- Accessing unauthorized resources.

8. Decision

- Judges' decision will be final and binding.

EVENT NAME: Capture The Flag (CTF)

Faculty Coordinators:
Prof. Basawraj Kumbar (9980156061)
Prof. Laxmi Hosamani (8431775493)

Student Coordinators:

1. **Shaheed Dafedar (7846084283)**
2. **Nandini Choukashi (9036067876)**

Rules:

Team Size:
Team of 5 members.

Registration Fees:
Rs. 200/- (per team)

Capture The Flag – Rules and Regulations:

1. Participation

- Only registered teams are allowed.
- Each team must have a unique team name.

2. Competition Format

- Participants will solve cybersecurity-based challenges.

- Categories may include:
    - Web Security
    - Cryptography
    - Reverse Engineering
    - Forensics
    - Networking
    - Steganography

3. Flag Submission

- Each challenge contains a hidden “flag”.
- Teams must submit the correct flag in the required format.
- Points will be awarded based on difficulty level.

4. Time Limit

- Total duration: 2–3 hours.
- Team with highest points at the end wins.

5. Rules and Restrictions

- Attacking the competition server is strictly prohibited.
- Do not attack other teams.
- Brute-force attacks on the platform are not allowed unless specified.
- Internet access is allowed only for research purposes.

6. Required Setup

- Participants must carry smartphones
- Observed as On-ground activity.

7. Judging Criteria

- Number of flags captured
- Time taken
- Strategy and teamwork

8. Disqualification

- Malicious activity or server tampering.
- Sharing flags with other teams.
- Any unethical behavior.

9. Decision

- Judges’ decision will be final and binding.
